Lolo is a British natural mineral make-up brand, founded in 2005 by Vikki Khan, and named after her sisters Lisa (Lily) and Lorraine (Lolo).

The very first product was a natural mineral foundation, which has gone on to reach cult status in the natural beauty scene. Since then, the brand has launched a complete range of products and accessories for ethically-conscious, natural beauty lovers across the globe.

Only using natural, nourishing ingredients in the products, you get flawless results without resorting to synthetic nasties. The brand is inspired by beauty's many faces, and they create their products with every type of woman in mind, whatever your age, style or skin type.

A cruelty-free brand, dedicated to remaining free from chemicals, parabens, perfumes or dyes. Lily-Lolo are also proud to say that 90% of the products are vegan-friendly.

Cleanse and make-up including lash application (allow 1 hour) – £50

dermalogica - Clear Start

Clear Start was formulated by Dermalogica specifically to clear oily, breakout-prone skin in young adults and teens. The brand founder, Jane Wurwand was inspired by her own children as their skin started to change to provide a range of professional-grade products that were designed specifically for young skin that typically starts to breakout.

Clear Start is a range of products to clean, exfoliate, target blackheads and breakouts whilst soothing and hydrating the skin using a combination of potent active ingredients such as Salicylic Acid and naturally gentle botanicals. The best of science and nature for healthy clearer skin. Clear Start™ is tough on breakouts, gentle on your skin: to deliver your clearest, healthiest skin ever.

Cruelty-free, gluten-free and vegan. Formulated without artificial fragrances or colours. Sustainability conscious with packaging using recycled plastic.

Clear Start teen facial (allow 45 minutes) – £45
